Your Health and Safety: Responding to
COVID-19

Greetings Blakeslee Vineyard Friends and Family,

We continue to take steps in keeping our guests and our team safe. After careful consideration and many long discussions, **we have decided to close the Tasting Room for tastings and wine consumption until further notice.**

However, **we will be offering next day Curb-Side service for wine purchases.** Wine Club members may pick up their latest wine allocations as well.

Website orders will be available for pick up 24-hours after order has been placed.

**We are changing our drive-up hours to:
Thursday - Monday, Noon to 5 pm**

Please give us a call at **503.625.6902** if you are coming up to purchase or pick up wine. Give us your name and order and we will take your order out to your car.

Our team is available by phone **503-625-6902** or email at **info@blakesleevineyard.com** to assist you with any orders, shipments or business needs. We will continue to update you on our activities with regular emails and posts until such time as we can announce our reopen.

Thank you for your understanding and support during these difficult times.

Our Very Best,

Bill & Sheila Blakeslee
